## Reverse Rett

### Conflict of Interest Policy

This Conflict of Interest Policy was adopted by

---

#### **Article I** **Purpose**

The purpose of this Conflict of Interest Policy is to protect the interests of Reverse Rett (the "Organisation") when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or trustee of the Organisation or might result in a possible excess benefit transaction. This policy is intended to supplement, but not replace, any applicable laws governing conflict of interest applicable to nonprofit and charitable organisations.

#### **Article II** **Definitions**

##### **1. Interested Person**

Any trustee, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

##### **2. Financial Interest**

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a.** An ownership or investment interest in any entity with which the Organisation has a transaction or arrangement,
- b.** A compensation arrangement with the Organisation or with any entity or individual with which the Organisation has a transaction or arrangement, or
- c.** A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organisation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

## **Article III Procedures**

### **1. Duty to Disclose**

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts relevant to the financial interest to the Board of Trustees.

### **2. Determining Whether a Conflict of Interest Exists**

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, the Board of Trustees shall determine by majority vote whether a conflict of interest exists.

### **3. Procedures for Addressing the Conflict of Interest**

- a.** An interested person may make a presentation at the Board of Trustees meeting, but after the presentation, he/she shall leave the meeting during the discussion of and the vote on, the transaction or arrangement involving the possible conflict of interest. In the event the interested person is also a trustee, he/she shall recuse himself/herself from all votes pertaining to the determination of whether a conflict of interest exists.
- b.** The chairperson of the Board of Trustees shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement giving rise to the conflict of interest.
- c.** After exercising due diligence, the Board of Trustees shall determine whether the Organisation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d.** If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board of Trustees shall determine by a majority vote of the disinterested trustees whether the transaction or arrangement is in the Organisation's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

### **4. Violations of the Conflicts of Interest Policy**

- a.** If the Board of Trustees has reasonable cause to believe that a trustee or officer of the Organisation has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b.** If, after hearing the individual's response and after making further investigation as warranted by the circumstances, the Board of Trustees determines such trustee or officer has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

## **Article IV Records of Proceedings**

The minutes of the Board of Trustees shall contain:

- a.** The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's decision as to whether a conflict of interest in fact existed.
- b.** The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

**Article V**  
**Compensation**

- a. A voting member of the Board of Trustees who receives compensation, directly or indirectly, from the Organisation for services is precluded from voting on matters pertaining to that member's compensation.
- b. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organisation for services is precluded from voting on matters about that member's compensation.
- c. No voting member of the Board of Trustees or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organisation, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

**Article VI**  
**Annual Statements**

Each trustee, principal officer and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflicts of interest policy,
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and
- d. Understands that the Organisation is charitable and in order to maintain its charitable status it must engage primarily in activities which further its charitable objects.

**Article VII**  
**Periodic Reviews**

To ensure the Organisation operates in a manner consistent with its charitable objects, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and private benefits are reasonable based on competent survey information and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organisation's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

**Article VIII**  
**Use of Outside Experts**

When conducting the periodic reviews as provided for in Article VII, the Organisation may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of Trustees of its responsibility for ensuring periodic reviews are conducted.
